MAGIC INVISIBLE SCONES

0% fat and 100% satisfying! With your order of magic invisible scones, you will be donating £5 to help preserve the iconic heritage in the care of The Abbotsford Trust.

We are a small independent charity and whilst income from tickets, the shop, and the café helps, this does not cover the running costs, let alone occasional emergency work or special conservation projects. Thank you for your support.

We take great pride in crafting as much as possible in-house, using the finest locally sourced produce to create our dishes. None of this would be possible without the incredible support of our trusted Scottish suppliers – from the Abbotsford Walled Garden and Saltire Patisserie to our butchers, milkman, and local fruit and vegetable growers. We're proud to champion small producers, and if you'd like to work with us, we'd love to hear from you.
